

Track 5 – Tuesday 28 September

Time	Name of session	Speakers and Details
11-11:50	<p>5.1.1 Organised session</p> <p>Building strong and effective institutions to achieve UHC in Western Africa</p> <p>Moderator/Chair TBA</p>	<p>11:00-11:08: Elisabeth Paul <i>Introduction: The challenges of ensuring policy coherence and building strong and effective institutions to achieve UHC</i></p> <p>11:09-11:16: Mouhamed Samba <i>Improving the performance of hospitals in Senegal</i></p> <p>11:17-11:24: Josephine Aikpitanyi <i>UHC must address all barriers limiting women’s access and use of maternal health services: the case of the Niger Delta region in Nigeria</i></p> <p>11:25-11:32: N’koué Emmanuel Sambiéni <i>Building a health insurance model that meets stakeholders’ expectations in Benin?</i></p> <p>11:33-11:40: Marie-Claudia Badiane <i>Translating UHC objectives into the legal framework in Senegal</i></p> <p>11:41-11:48: Marc Bourgeois <i>Translating UHC objectives into the legal framework in Benin</i></p>
12-12:50	<p>5.1.2 Organised session</p> <p>Effectiveness of digital health interventions on improving quality of healthcare – evidence from cluster randomized controlled trials of digital registries for maternal and child health in Palestine and Bangladesh</p> <p>Moderator/Chair J. Frederik Frøen Norwegian Institute of Public Health</p>	<p>12:00-12:05: J. Frederik Frøen <i>Introduction and information</i></p> <p>12:05-12:20: Buthaina Ghanem <i>eRegistries, trials and implementation in Palestine</i> <i>Introduction to eRegistries. National implementation of a maternal and child health eRegistry. Embedded cluster randomized controlled trials of digital health interventions</i> <i>eRegQual study</i> <i>A cluster randomized controlled trial to assess the effectiveness of clinical decision support for healthcare providers</i></p> <p>12:20-12:25: Kjersti Mørkrid <i>eRegCom study</i> <i>A cluster randomized controlled trial to assess the effectiveness of quality improvement dashboards for healthcare providers and targeted client communication via SMS to clients</i></p> <p>12:25-12:40: Anisur Rahman <i>eRegistry in Matlab, Bangladesh</i> <i>An eRegistry for maternal and child health across cadres of healthcare providers and levels of the health system.</i> <i>eRegMat study</i> <i>A cluster randomized controlled trial to assess the effectiveness of an eRegistry with three digital health interventions – clinical decision support and quality improvement dashboards for healthcare providers, and targeted client communication via SMS to clients</i></p>

		<p>12:40-12:50: J. Frederik Frøen <i>Questions and discussion</i></p>
<p>14-14:50</p>	<p>5.1.3 Oral poster. Paper #: 173,259,119,252,325,429,320,393,232</p> <p>Moderator/Chair TBA</p>	<p>14:00-14:02: Mr Shubharanjan Jena <i>Traditional hot-iron-rod healing practices for indigenous sick children in Odisha, India</i></p> <p>14:02-14:04: Paper 259: Dr Subhash Chandir <i>Measuring 1-year impact of COVID-19 on routine immunizations in Sindh, Pakistan: Analysis of provincial electronic immunization registry</i></p> <p>14:04-14:06: Paper 119: Ms Bernice Yamoah <i>Barriers for mHealth Adoption in the Health Care Sector of Ghana</i></p> <p>14:06-14:08: Paper 252: Dr Rozina Feroz Ali <i>Feasibility assessment of introducing immunization-carpool services to facilitate immunization visits of <2 years children in rural Pakistan</i></p> <p>14:08-14:10: Paper 325: Mr ERIC Ssegujja <i>Challenges to documentation of immunization data from the lower-level private-for-profit services providers within an urban context in Kampala, Uganda.</i></p> <p>14:10-14:12: Paper 429: Mrs Lydia Boyle <i>Promotors and barriers to implementation of assistive-technology and telecare for people with dementia and their caregivers: a systematic review</i></p> <p>14:12-14:14: Paper 320: Dr Dell Saulnier <i>Health systems resilience through the perspective of health workers managing antenatal and childbirth services during floods in Cambodia</i></p> <p>14:14-14:16: Paper 393: Dr George Lutwama <i>Barriers and facilitators to the implementation of community health worker programmes in South Sudan</i></p> <p>14:16-14:18: Paper 232: Ms. Fatima Miraj <i>Development and feasibility-testing of an artificially intelligent chatbot to answer immunization-related queries of caregivers in Pakistan: A mixed-methods evaluation</i></p> <p>14:18-14:50: <i>Questions to all presenters</i></p>
<p>15-15:50</p>	<p>5.1.4 Organised session</p> <p>Revitalizing the health system in Niger: pilot reform experiences enabling to progress towards strategic purchasing</p>	<p>15:00-15:07: Aline Labat <i>Setting the scene of the health system in Niger</i></p> <p>15:08-15:14: Elisabeth Paul <i>Health financing challenges in Niger: how to progress towards strategic purchasing of health services?</i></p>

	<p>Moderator/Chair TBA</p>	<p>15:15-15:28: Doferegouo Soro <i>Building a health insurance scheme on the grounds of a performance-based financing PBF programme in Niger</i></p> <p>15:29-15:35: Rona Aboubacar <i>Improving efficiency through supporting digitalization down to primary healthcare centre level</i></p> <p>15:36-15:42: Amani Moustapha <i>Maintenance: a major neglect in many African health systems – the efforts of Niger to improve efficiency and sustainability in the Gaya district (region of Dosso).</i></p> <p>15:43-15:49: Paul Bossyns <i>Wrap-up: Supporting both sides of the health system (supply and demand) through a comprehensive approach is necessary to progress towards UHC</i></p>
<p>16-16:50</p>	<p>5.1.5 Oral presentation. Paper # 116, 141, 225, 179</p> <p>Moderator/Chair TBA</p>	<p>16:00-16:10: Paper 116: Miss Farah Beniacoub <i>Evaluating a Computerized Maintenance Management System in a low resource setting</i></p> <p>16:10-16:20: Paper 141: Dr Nandini D P Sarkar <i>Implementing a digital health intervention for maternal, child and adolescent health in Tanzania: Lessons learnt from the Afya-Tek project</i></p> <p>16:20-16:30: Paper 225: Dr Torsten Schmitz <i>Effectiveness of digital decision support in improving the management of childhood illness in rural Nigeria: a prospective observational study</i></p> <p>16:30-16:40: Paper 179: Miss Paula De Corral San Martin <i>Implementation of a telemedicine platform supporting the Cachi indigenous communities in Zapallo Grande, Cayapas river, province of Esmeraldas (Ecuador)</i></p> <p>16:40-16:50: Q&A to all presenters</p>
<p>17-17:50</p>	<p>5.1.6 Oral presentation. Paper # 269, 78, 70, 247</p> <p>Moderator/Chair Tarun Shankar Chowdhury, University of Bergen</p>	<p>17:00-17:10: Paper 269: Dr Garry Aslanyan <i>Strategies for investing in implementation research – the case of ESSENCE on Health Research funders initiative</i></p> <p>17:10-17:20: Paper 78: Mr Dimitri Renmans <i>The role of self-efficacy in performance-based financing: findings from the ResQ study</i></p> <p>17:20-17:30: Paper 70: Mr Eyasu Kebede <i>Examining Healthcare Workers’ Perspectives & Insights Concerning Availability of Medical Equipment in Three Ethiopian Hospitals: A Qualitative Pilot Study</i></p> <p>17:30-17:40: Paper 247: Ms Danya Arif</p>

		<p><i>Effect of Mobile Conditional Cash Transfers of different sizes, schedules and design on Childhood Immunization Coverage in Pakistan: An RCT</i></p> <p>17:40-16:70: Q&A to all presenters</p>
<p>18-18:50</p>	<p>5.1.7 Oral presentation. Paper # 315, 343, 104, 129</p> <p>Moderator/Chair Ana Lorena Ruano, University of Bergen</p>	<p>18:00-18:10: Paper 315: Mr Ernesto Negrin <i>Identifying a viable macroeconomic framework to restore and improve food security in Venezuela.</i></p> <p>18:10-18:20: Paper 343: Mrs Pierina Benavente Velando <i>Identifying viable policies for including Venezuelan refugees and migrants into the Peruvian health system</i></p> <p>18:20-18:30: Paper 104: Mr Guenter Froeschl <i>Adapting teaching and learning in times of COVID-19: A comparative assessment among higher education institutions in a global health network</i></p> <p>18:30-18:40: Paper 129: Ms Elizabeth Peacocke <i>Factors influencing global equitable access to covid-19 vaccines for low-and middle-income countries: a scoping review</i></p> <p>18:40-18:50: Q&A to all presenters</p>

Track 5 – Wednesday 29 September

Time	Name of session	Speakers and Details
10-10:50	<p>5.2.1 Organised session</p> <p>“Evaluation challenges and innovative evaluation methods to improve the governance of health systems in Western Africa”</p> <p>Moderator/Chair Elisabeth Paul</p>	<p>10:00-10:07: Elisabeth Paul <i>Setting the scene of the evaluation practice in Western Africa</i></p> <p>10:08-10:14: Olivier Sossa <i>Ethical challenges of the evaluation practice in Western Africa</i></p> <p>10:15-10:21: Sandy Tubeuf <i>Methodological challenges in causal impact evaluation</i></p> <p>10:22-10:28: Catherine Fallon <i>Meta-evaluation as learning processes</i></p> <p>10:29-10:35: Zawora Rita Zizien <i>A meta-evaluation research protocol on the methodological quality of evaluations in Burkina Faso</i></p> <p>10:36-10:42: Mohamadi Zeba <i>A meta-evaluation research protocol on the process quality and utility of evaluations in Burkina Faso</i></p> <p>10:43-10:49: Olivier Sossa <i>Wrap-up and conclusion on the originality of this complementary approach</i></p>
11-11:50	<p>5.2.2 Organised session</p> <p>From innovation to implementation: How novel point of care diagnostic tests help to enhance schistosomiasis elimination efforts in Sub-Saharan Africa</p> <p>Moderator/Chair Dr Stefanie Knopp, Swiss Tropical and Public Health Institute</p>	<p>11:02-11:17: Dr Bonnie Webster, Natural History Museum <i>Development and validation of the rapid polymerase amplification (RPA) assay for Schistosoma haematobium diagnosis at the point-of-care</i></p> <p>11:17-11:32: Dr Stefanie Knopp, Swiss Tropical and Public Health Institute <i>Novel tools and strategies for breaking schistosomiasis transmission in Pemba, United Republic of Tanzania</i></p> <p>11:32-11:42: Discussion/Q&A</p> <p>11:42-11:50: Survey in easyretro</p>
12-12:50	<p>5.2.3 Organised session #14:</p> <p>Preparedness, simulation, and training in medical response to mass-casualty incidents using simple methods</p> <p>Moderator/Chair Carl Montan &</p>	<p>12:00-12:05: <i>Introduction</i></p> <p>12:05-12:25: <i>The extent of the problem, triage and the MACSIM tool</i></p> <p>12:25-12:45: <i>Mentometer session and problem-solving</i></p>

	Karolina Nyberger Karolinska Institutet	12:45-12:50: <i>Conclusion</i>
14-14:50	<p>5.2.4 Oral poster. Paper # 371,52, 193,326,87,384.381,448, 246</p> <p>Moderator/Chair TBA</p>	<p>14:00-14:02: Paper 371: Mr Gabriel Dillon <i>Exploring Disability Support in Primary Schools in Tanzania: A Case Study of Inclusive Education</i></p> <p>14:02-14:04: Paper 52: Mr Malale Tungu <i>Health, wealth and medical expenditures among the elderly in rural Tanzania</i></p> <p>14:04-14:06: Paper 193: Mrs Francesca Tognon <i>Measuring Effective Coverage for institutional deliveries in a rural district in Uganda: the role of Supportive Supervision data</i></p> <p>326 14:06-14:08: Paper 326: Mr Eric Ssegujja <i>Improving the quality of urban immunization data among lower level private-for-profit service providers in Kampala Uganda; Early implementation experiences</i></p> <p>14:08-14:10: Paper 87: Mrs Maria Nannini <i>Women, Health and Solidarity: Evidence from a Case Study in Rural Senegal</i></p> <p>14:10-14:12: Paper 384: Mrs Thaoussi Uwera <i>Digital Health Interventions: A Study of Data Quality, Effective Coverage, and Inequalities in the Rwanda Childhood Immunization Program</i></p> <p>14:12-14:14: Paper 381: Mr Seun Anjorin <i>Universal Health Coverage in Low- and Middle-Income Countries: Does it matter where people live? – a multilevel analysis</i></p> <p>14:14-14:16: Paper 448: Ms Heloise Widdig <i>The political economy of priority-setting for health in South Sudan: a case study of the Health Pooled Fund</i></p> <p>14:16-14:18: Paper 246: Ms Maria Cambra Pellejà <i>Molecular analysis of Strongyloides stercoralis beta-tubulin gene and the possible effects on albendazole efficacy</i></p> <p>14:18-14:50: <i>Questions to all presenters</i></p>
15-15:50	<p>5.2.5 Oral presentation. Paper # 213, 257, 397, 61</p> <p>Moderator/Chair Emily McLean, University of Bergen</p>	<p>15:00-15:10: Paper 213: Mrs Sarah Carpentier <i>How is equality in access to health services addressed by SOCIEUX+ actions?</i></p> <p>15:10-15:20: Paper 257: Mr Atkure Deghebo <i>Geographic differences in maternal and child health care utilization in four Ethiopian regions; A cross-sectional study</i></p> <p>15:20-15:30: Paper 397: Miss Anupama Sharma <i>FHH-PHP Model Effectiveness for Hard-to-Reach (HTR) areas and Integration into BPHS in Afghanistan</i></p>

		<p>15:30-15:40: Paper 61: Ms Thanh Hoang <i>Socioeconomic inequality in breast and cervical screening among women in six low- and middle-income countries – decomposition of socioeconomic inequality</i></p> <p>15:40-15:50: Q&A to all presenters</p>
16-16:50	<p>5.2.6 Oral presentation. Paper # 98, 170, 348, 327</p> <p>Moderator/Chair Peter Hangoma, University of Bergen</p>	<p>16:00-16:10: Paper 98: Dr Brenda Sequeira Dmello <i>Learning from changes concurrent with implementing a complex and dynamic intervention to improve urban maternal and perinatal health in Tanzania.</i></p> <p>16:10-16:20: Paper 170: Mrs Francesca Tognon <i>Estimating the impact on obstetric complication care: comparison between Met Need for Emergency Obstetric Care and Unmet Obstetric Need</i></p> <p>16:20-16:30: Paper 348: Dr Olivia Brunell <i>Effect of Nepal Perinatal Quality Improvement Project on patient satisfaction: a cluster randomized control trial</i></p> <p>16:30-16:40: Paper 327: Dr Ali Said <i>Mismatched ambition, execution and outcomes: Health providers and managers` experiences on implementing maternal death surveillance and response system in Tanzania</i></p> <p>16:40-16:50: Q&A to all presenters</p>
17-17:50	<p>5.2.7 Oral presentation. Paper # 175, 341, 303</p> <p>Moderator/Chair Omar Mwalim, University of Bergen</p>	<p>17:00-17:10: Paper 175: Dr Raffaella Ravinetto <i>The QUAMED Quality Certification Program: a novel way to increase availability of quality-assured health products for universal health coverage</i></p> <p>17:10-17:20: Paper 341: Miss Marta Caviglia <i>Improving access to healthcare in Sierra Leone: the role of the newly developed National Emergency Medical Service</i></p> <p>17:20-17:30: Paper 303: m Tolofon Assogba <i>Towards Universal Health Coverage in Benin: obstacles to using rehabilitation services by disabled people</i></p> <p>17:30-16:70: Q&A to all presenters</p>
18-18:50	<p>5.2.8 Oral presentation. Paper # 417, 65, 304</p> <p>Moderator/Chair Getachew Teshome Eregata, University of Bergen</p>	<p>18:00-18:10: Paper 417: Mr Gavin Surgery <i>Towards Universal Health Coverage: Key requisites for legitimate health benefit package design</i></p> <p>18:10-18:20: Paper 65: Mr Jonathan Malcolm <i>Can the Eye Health Systems Assessment help high-income countries achieve universal eye health?</i></p> <p>18:20-18:30: Paper 304: Miss Emily McLean <i>Is it ethically acceptable to not include safe abortion care in universal health coverage?</i></p>

18:30-18:50: Q&A to all presenters
